GLOBAL PHOTOGRAPHIC UNION - GPU (former UPI)

is a worldwide interactive organization for anyone interested in
photography, be they casual, serious amateurs or professional
photographers.

Founded in Goirle, The Netherlands, September 2007, GPU brings together
professional and amateur enthusiasts of all ages and levels of
achievement. As a nonprofit organization, its mission is to promote and
enhance the art and science of photography in all its phases.

Individual members are offered a wide variety of activities: photo and
digital competitions, photo exhibitions in different countries, study groups
via mail, web site access, photo books, magazines, Photo festivals,
distinctions, titles, and a raft of other activities.
